

Dufour 48 sailing catamaran for sale in Croatia

Description

The sailing yacht Dufour Catamarans 48 has been produced by the Dufour shipyard in 2019. The long cruising sailing catamaran is 14.90 m with 4 cabins with double beds and hanging lockers and 2 skipper's cabins. The draft is 1.20 m. The yacht with a fiberglass hull has CE (A) certification, that is, it is intended for sailing to the open sea.

The Dufour 48 catamaran features a flybridge, serving as a lovely spot for friends and family to lounge, soak up the sun, and relish in expansive panoramas. The cockpit is ample space, hosting a generously sized outdoor dining table encircled by comfortable sofas complemented by a conveniently located barbecue grill. Inside, the lounge area is appointed with a sizable table, comfortable sofas, and expansive sun loungers for maximum relaxation.

The catamaran is equipped with two Volvo Penta diesel engines of 60 horsepower each and equipped with 3-blade propellers, ensuring reliable operation and maneuverability. Engine hours are approximately 2000.

Electrical equipment includes a Raymarine radar, GPS chartplotter, autopilot, wind instrument, weather station, VHF radio, and AIS transceiver. Other systems include a generator, air conditioner, desalination plant, washing machine, electric anchor windlass, hot water system, and safety alarms.

Rigging is presented with an aluminum mast, and boom with roller furling, and the sails include a fully battened mainsail, automatic jib, and gennaker.
