

Facil 30 for sale in Latvia

The **Facil 30** (1984) is a well-equipped 9.20-meter sailing yacht with a 3-meter beam, offering a solid balance of performance and comfort. Her sail inventory is generous and versatile, including **two spinnakers, two genoas, a jib, and a mainsail**, complemented by a spinnaker boom and a gennaker furler.

Standing rigging was replaced just two years ago, adding peace of mind for extended cruising.

Facil 30 is powered by a reliable **Yanmar 12 kW** diesel engine with approximately **1200 hours**, and features both wheel steering as the main system and tiller steering as a backup, along with an **autopilot** for effortless passages.

On deck and below, the yacht is thoughtfully outfitted for safe and comfortable sailing. Equipment includes **dual Bruce anchors** with 15 mm chain, additional stern anchoring setup, **multiple winches** (including two-speed units), teak decking, and steel swimming stairs.

Navigation electronics cover **speed, depth, log, and an electric compass**. Below deck, the sandwich hull construction provides strength and insulation, while amenities include **two cabins**, a galley with **oven and refrigerator, toilet**,

freshwater tank, heating system (petroleum and electric), **Bluetooth audio** system, three **batteries with Bluetooth monitoring**, automatic and manual bilge pumps, a clothes drying chamber, and a 6-person life raft, making her a capable cruiser ready to sail.
