

Fairline Targa 38 for sale on Corfu, Greece

The Fairline Targa 38, named “Day Away,” is a well-maintained sport cruiser yacht built in 2010. It is equipped with 2 Volvo Penta D6 370 hp engines with only 235 hours of usage. The boat has never been chartered. This yacht offers a range of extras, making it an ideal choice for comfortable cruising. Currently moored in Corfu, Greece, the mooring fees have been paid until April 1, 2024. The mooring package includes complimentary Wi-Fi, one car parking spot, solid waste disposal, 24-hour security, 30 days of free winter docking, and access to toilet and shower facilities. However, electricity and potable water come at an extra charge, with prices subject to fluctuation based on provider rates.

“Day Away” received full servicing in April 2021, with maintenance performed exclusively at a Volvo Penta official service center. Due to circumstances, the boat has not been operated recently, but it has been well taken care of by a dedicated team of two people who have ensured regular ventilation, engine startup, and cleaning.

The boat offers two cabins, and there is a possibility of an extra bed in the saloon,

making it comfortable for the whole family. It provides spacious relaxation, lounge, and chill-out areas across two decks, guaranteeing ample entertainment opportunities.

The yacht is registered under the flag of Delaware state, USA, and it comes with an insurance policy valid until November 16, 2023. It has had only one owner and is operated by a dedicated captain. VAT is not paid. "Day Away" awaits its new owners, offering a luxurious and comfortable cruising experience in the beautiful waters of Corfu, Greece.
