

Fandango 33 for sale in Klaipėda, Lithuania

Fandango 33 for sale in Klaipėda, Lithuania, LT registration, open sea category. A solid old offshore vessel made in times no one saved for the fiberglass and resin. Fandango's hull was made by Yachting France, the interior was finished at Winga Swedish factory in 1975.

The yacht sailed in the North Sea and the Gothenburg archipelago since its construction. Since 2018 it stays in Klaipėda and the Baltic sea. The vessel has a permanent parking place in Pilies port, Klaipėda. In 2000, a new Kubota Nanni Diesel was installed. 29HP engine now has 900 engine hours. The ship is constantly maintained and modernized. The complete set is also suitable for offshore sailing.
