

## Feeling 346 for sale in Italy

**Feeling 346** (1990) is a well-maintained cruising yacht that offers an **excellent balance of sailing performance, comfort, and reliability**.

The boat is presented in good condition and has recently received a **brand-new 27 HP Vetus diesel** engine with few operating hours.

With a practical **three-cabin layout** featuring one forward cabin, two aft cabins, and a spacious head, she is perfectly suited for family cruising or extended holidays aboard.

The hull is **free from osmosis**, reflecting the careful ownership and maintenance this yacht has received over the years.

Designed for easy handling, the yacht is equipped with a **full-batten mainsail on a track system, furling genoa, spinnaker, and a brand-new 2025 gennaker**, while all control lines are led aft to the cockpit and managed through four self-tailing winches plus a mast winch.

Cruising comfort is enhanced by a lazy bag, sprayhood, bimini, cockpit sunshades, electric windlass with Delta anchor and 45 m of chain, cockpit refrigerator, hot

water system, and a reliable electrical setup including Solbian solar panels with remote monitoring, battery charger, and three batteries.

Navigation equipment includes a **chartplotter integrated with radar, autopilot**, wind instruments, log, depth sounder, **EPIRB**, fixed and handheld VHF radios, with all electronics fully operational, making this Feeling 346 ready to sail immediately.
