

Feeling 39 DI for sale in Preveza, Greece

Description

The **Feeling 39 DI (1991)** is a meticulously maintained sailing yacht honored for its elegant design and practical functionality. Constructed from durable polyester with a round bilge hull and a **centerboard keel**, this vessel is both seaworthy and versatile, ideal for coastal cruising or extended voyages.

The yacht underwent a comprehensive **survey in December 2024**, confirming its **excellent condition**, which is further evidenced by the extensive upgrades and maintenance conducted over the years.

The **dual rudders**, coupled with the Plastimo mechanical steering wheel, provide precision handling, while **new windows** (installed in 2010 and upgraded in 2021/22) and an **elm-paneled interior** enhance both aesthetics and comfort.

The **interior layout is spacious** and thoughtfully designed, featuring **four lockable double cabins**, accommodating up to 10 people with additional salon berths fitted with **moisture-regulating mattresses**.

The deck salon, fully equipped kitchen, navigation room, and functional toilet/shower room cater to both luxury and practicality.

A Trumatic S1800 **heating system**, a reliable **Yanmar 4JH 2E 40 HP** engine with a **fully overhauled gearbox**, and a **stainless steel fuel tank** ensure dependable performance.

Recent upgrades include a **new Volvo seal**, **renewed engine mounts**, and a **revamped underwater hull**, ensuring the yacht remains in peak condition. Additionally, the **updated wall and ceiling cladding** in 2022 contributes to the yacht's refreshed and modernized ambiance.

The rigging and sail systems are robust and well-maintained, featuring Z-Spars aluminum masts and booms, Lewmar winches, and Dacron sails by De Vries Sails Lemmer. A **newly adjusted mainsail** and **updated furling systems** enhance sailing efficiency.

Onboard safety and convenience are prioritized with features such as a stainless steel sea rail, multiple anchors, lifebuoys, a life raft, and **modern navigation equipment**, including a **Raymarine autopilot**.

and wireless depth and speed instruments.

With a wealth of upgrades and excellent care, the Feeling 39 DI promises a perfect balance of performance, comfort, and safety for its next adventure.
