

For sale is a very well equipped Guyline 3800L, built in 1991

Description

A well-equipped Guyline 3800L, built in 1991, is offered for sale. The boat has had one owner and was maintained in top condition. The boat has wintered in a warm premise all these years, which can be noticed in lacquered surfaces and Alcantara upholstery. The vessel has three cabins and a reversible keel controlled by an electric hydraulic motor, which enables anchoring in shallow water. The boat is characterized by a real Racer/Cruiser with a deep keel, 18-meter-high mast, and last but not least, a very comfortable, light and convenient boat in port.

The boat is located in Helsinki.
