

Fountaine Pajot Astrea 42 for sale in Greece

The **Fountaine Pajot Astrea 42** for sale, a **2019** model, is a luxurious and spacious catamaran designed for comfortable cruising and sailing. Its sleek and modern hull features **four double cabins** with en-suite facilities, providing ample space for up to **ten guests**. The boat also boasts a spacious saloon with a large dining table and a fully equipped galley.

The Astrea 42 is powered by twin **Volvo Penta D2 50hp** diesel engines, allowing it to reach a comfortable cruising speed of 7-8 knots. Its spacious fuel and water tanks ensure long-range cruising capabilities.

The boat is equipped with a full suite of **Garmin navigation** instruments, including a **GPS-plotter, autopilot, VHF, AIS, and radar**, ensuring safe and enjoyable sailing.

Additional features of the Astrea 42 include a **generator, air conditioning, electric windlass, deck shower, sound system**, and a spacious cockpit with a bimini and sprayhood.

The boat is also equipped with a number of extras, including an **electric winch** for the mainsail and genoa sheet, a **water maker**, and an **electric hydraulic gangway**.

Overall, the Fountaine Pajot Astrea 42 is a well-appointed and versatile catamaran that offers a luxurious and comfortable cruising experience.
