

Gib Sea 10 for sale in Montenegro

The 1981 Gib'Sea 10.10 for sale in Montenegro is a robust and well-equipped sailing boat measuring 33 feet (10.10 meters) in length. Designed for both comfort and performance, this vessel provides stability and excellent sailing capabilities. Gib'Sea 10.10 is designed to handle various sea conditions with confidence.

Accommodations on this boat include two cabins, providing sleeping berths for up to six people. The layout features a practical and cozy main saloon, a fully equipped galley, and a single head. The sleeping quarters offer comfort and privacy, making extended cruising a delightful experience.

In terms of sailing rig, the Gib'Sea 10.10 is equipped with a genoa and a furling jib, along with a classic mainsail featuring battens. This sail configuration ensures versatile and efficient sailing, suitable for both leisurely cruises and more spirited passages.

The yacht comes well-equipped with a comprehensive list of amenities and safety features. Practical additions like a bathing ladder and mooring accessories, including two reels, contribute to the overall functionality of the yacht.

The Gib'Sea 10.10 is powered by a reliable Yanmar 3HM 29 HP Diesel engine,

ensuring efficient propulsion when needed. The 60-liter fuel tank provides ample capacity for extended journeys.

Electrical needs are met by a 50W solar panel, complemented by a battery charger and a set of batteries, including one starter and three service batteries.

Whether cruising coastal waters or embarking on more extended voyages, the Gib'Sea sailboat is a well-appointed and seaworthy vessel ready for adventure.
