

Hunter 460 for sale in Greece

Ocean-class sailing yacht **Hunter 460**, built in 2000, is perfectly designed and fully equipped for comfortable onboard living or extended offshore cruising.

Powered by a reliable **Yanmar 76 HP** engine (**3830 hours**) with a **new turbine** installed in 2024 and regularly serviced, **this yacht is ready for immediate sailing**.

The vessel features a **modern autonomous energy system**, including **lithium batteries** and **inverter** (installed in 2024) and **solar panels** (2026), allowing for minimal dependence on shore power. Ground tackle includes a **Rocna 33 kg** anchor with **80 m of 10 mm chain**, and the windlass can be conveniently operated from the cockpit.

Onboard comfort is ensured with four **freshwater tanks totaling 700 L and a 450 L diesel tank**, a spacious saloon, and a well-designed galley equipped with a **new 3-burner gas stove** with oven (2024), built-in fridge with freezer, plus an additional compact fridge and freezer.

The yacht also features a 5 kg **washing machine**, **three heads** with showers, cockpit shower.

New sprayhood 2026, diesel heating system (2023), **generator**.

Sails in good condition with in-mast furling mainsail (**mechanism upgraded in 2024**) and a spare mainsail included.

All original documentation and manuals for onboard systems are available.
