

Jeanneau 53 for sale in Greece

The **Jeanneau 53** (2011) is a meticulously maintained sailing yacht designed for both luxurious comfort and excellent performance on the water. This vessel offers ample space and stability for extended voyages. Its fully battened **mainsail (2023)** and roller genoa (2011) ensure reliable and efficient sailing, while its dual steering wheels provide exceptional handling.

The boat accommodates up to **five cabins plus a skipper's cabin**, including four doubles, one bunk cabin, and a separate skipper's berth, making it ideal for both private charters and family adventures. The spacious living quarters are complemented by **3 air-conditioning units**, a Pioneer sound system, and a Sony LCD TV, ensuring comfort and entertainment at sea.

This Jeanneau 53 boasts advanced navigational and operational equipment, providing precision and ease of use for the skipper. It is powered by a **YANMAR 4JH4-HTF engine (110 hp)**.

Energy efficiency is further enhanced by two 175W solar panels and an inverter. Practical additions like a bimini, sprayhood, and a hot-and-cold deck shower enhance the on-deck experience. With a fuel capacity of 240 liters and a water tank of 950 liters, this yacht is well-equipped for long-range cruising, offering the perfect

blend of performance, comfort, and versatility.
