

Jeanneau Sun Dance 36

The 1990 **Jeanneau Sun Dance 36** is a well-designed cruising yacht offering a comfortable layout, reliable sailing performance, and excellent potential for coastal and offshore adventures.

Since 2022, the yacht has undergone an extensive programme of upgrades and improvements, including **new mainsail and 140% genoa**, a **new Profurl furling system**, completely **renewed running rigging**, **new mast wiring**, upgraded navigation lights, and a **Raymarine wind instrument**.

Additional improvements include a **new Lewmar Pro 1000** electric anchor windlass **with wireless remote controls**, a 15 kg Rocna anchor with 7**5 metres of new chai**n, **new lifelines**, and a **new bimini**. The keel has also been reseated with **new bolts, washers, and nuts**, reflecting the owner’s attention to maintenance and safety.

The yacht’s electrical system has been significantly modernised, featuring **two 100 Ah lithium batteries**, three 175 W flexible solar panels, a **1500W inverter charger**, a **Victron battery monitoring** shunt, and an **MPPT** solar charging system.

Further upgrades include an **AIS** receiver, **LED interior and exterior** lighting, a **new stereo system**, refreshed saloon upholstery, and a navigation **table equipped with a computer mounting** arrangement.

Engine maintenance has included **servicing and inspectio**n of the injection **pump and injectors**, **cleaning of the heat exchanger**, and replacement of associated seals. A new inflatable dinghy included.

With substantial investment in her sails, rigging, electrical systems, and onboard equipment, this Jeanneau Sun Dance 36 is **well prepared for her next sailing season**, offering an attractive opportunity for buyers seeking a comprehensively upgraded cruising yacht.
