

Jeanneau Sun Odyssey 35 Legend for sale in Montenegro

The **Jeanneau Sun Odyssey 35 Legend (2006)** is a well-maintained and **fully equipped** cruising yacht powered by a reliable Yanmar 29 hp engine with approximately **3000 hours** and regular servicing.

She features an **autopilot**, 220V inverter, 100W solar panel, and a set of good-condition sails (mainsail and genoa). The boat is outfitted with **updated navigation instruments**, depth and speed sensors, a **new bimini**, and standard safety equipment.

Her electrical system includes both 12V and 220V, along with **three new service batteries** and one start battery. Additional equipment includes a dinghy outboard engine (dinghy not included), manual and electric bilge pumps, a gas stove, sink, freshwater system, winches, stoppers, and mooring lines.

The exterior and hull are in **excellent structural condition** with no osmosis, and the yacht received **new antifouling** and **new anodes** in early 2025.

Cockpit teak work and minor gelcoat and hull touch-ups have been completed, and

the boat was lifted in a dry dock one year ago.

The interior features a refreshed saloon, a mechanical toilet with a **newly replaced pump**, and fully functional fittings and interior elements.

With consistent maintenance, timely servicing of oil and filters, and all technical issues addressed as they arose, this yacht is fully prepared for the season and **ready to sail**.
