

Jeanneau Sun Odyssey 40 for sale in Greece

The **Jeanneau Sun Odyssey 40 (2002)** is a well-equipped and spacious sailing yacht, designed for both comfort and performance.

All the pictures were taken in February 2025 during the preparation of the boat for the season.

Featuring **three cabins and two heads**, the yacht provides ample space for family cruising or small group adventures.

The navigation system is robust, including essential instruments such as compass, depth instrument, **autopilot, bow thruster**, GPS, VHF, EPIRB, plotter, wind instrument, and speed instrument, ensuring safety and ease of maneuvering.

Powered by a **54 HP Yanmar diesel** engine with a shaft drive and a **three-blade propeller**, the Sun Odyssey 40 delivers smooth and efficient performance under power.

The **roller Genoa sail is in good condition and roller main sail is in very**

good condition. With a well-maintained rig, the yacht ensures steady and reliable sailing, whether in coastal waters or on extended offshore trips.

The onboard amenities enhance comfort and practicality, featuring a fully equipped galley with an oven, fridge, and heating for all-season cruising.

The yacht is well-prepared for anchoring and docking with a **Bruce** and Danforth anchor, 70 meters of 8mm chain, spray hood, bimini, and solar panels for energy efficiency.

Safety is a priority, with an 8-person life raft, life jackets, life belts and fire extinguisher.

Location: Lefkada, Greece
