

Jeanneau Sun Odyssey 40DS for sale

The **Jeanneau Sun Odyssey 40DS** (1998) is a well-balanced cruising yacht offering comfort, space, and solid offshore performance.

She provides a remarkably spacious interior layout for her size, featuring **three cabins and two electric heads**, ideal for family cruising or extended stays onboard.

The deck saloon design enhances natural light and visibility below deck, while the 1.60 m draft ensures a good compromise between performance and access to shallow anchorages.

She is powered by a reliable **Yanmar 4JH3E 54 HP** engine with shaft drive and a 3-blade propeller, delivering a comfortable cruising speed of around 6 knots.

The yacht has been consistently upgraded, including full engine and hull maintenance in 2024, **new standing rigging in 2023** (certified), and modernized systems such as **lithium batteries, 3 kW inverter**, and **400 W solar** installation.

Recent upgrades also include **synthetic teak (2025)**, replaced **seacocks (2025)**, and a well-equipped navigation suite with **B&G electronics and Autohelm**

autopilot.

Fully prepared for immediate sailing, she represents a solid, turn-key cruising platform in very good condition.

Location: Kaş, Turkey

Flag: German

EU VAT paid

- LOA: 11.75 m
- Beam: 3.95 m
- Draft: 1.60 m
- Displacement: 7.2 tons
- Layout: 3 cabins / 2 heads (electric toilets)
- Configuration: Deck Saloon cruiser
