

Jeanneau Sun Odyssey 43 DS for sale in Greece

The **Jeanneau Sun Odyssey 43 DS** (2002) is a well-cared-for, **privately owned** cruiser that has **never been chartered**. Designed with comfort and ease of sailing in mind, she features a practical owner's layout of **3 cabins** (one cabin serves as storage/workspace), offering generous space for extended cruising.

Powered by a **Volvo Penta 55HP** engine with an estimated **1,900 hours**, she is equipped with a **bow thruster, Raymarine radar and displays, Webasto heating, and three air conditioners** (for harbour use), ensuring stress-free handling and year-round comfort.

Her inventory has been thoughtfully maintained and upgraded, with recent additions including a **new** 30L water heater, a **new** bow thruster and anchor battery, plus a stainless anchor chain for reliability.

The sails, at 8 years old, remain in good working condition, and both house and engine batteries were replaced just 4 years ago.

Extras such as an oversized **bimini, inverter**, and a **brand-new dinghy with**

engine add further value, ensuring she's ready to step aboard and cruise immediately.

With her excellent ownership history, practical upgrades, and solid build quality, this Sun Odyssey 43 DS represents a dependable and comfortable choice for sailors seeking a straightforward yacht with character and no hidden surprises.
