

The **Jeanneau Sun Odyssey 45 DS (2008)** is a well-maintained and fully equipped sailing yacht, offering comfort, performance, and modern technology for long voyages or relaxed cruising. Featuring **three cabins** and six berths, along with **three bathrooms**, it provides ample space for a family or group of sailors.

The yacht is powered by a **Yanmar 54 HP** diesel engine and boasts a 240-liter fuel tank and 635-liter water capacity, ensuring extended autonomy at sea.

Designed for effortless handling, it is equipped with a **Raymarine navigation** system, including an **E120 Classic chartplotter, radar, autopilot, and AIS transceiver**, enhancing safety and precision during sailing.

This Sun Odyssey 45 DS is also outfitted with an array of modern features, such as a Smart Yacht Global Tracking system, offering worldwide open-sea tracking, remote engine control, and emergency alerts.

Energy efficiency is optimized with two **205W solar panels** and a **Victron MPPT** controller, while onboard comfort is enhanced by **two Webasto** heating systems, cockpit cushions, and **brand-new sun curtains**.

The yacht is equipped with a **Maxpower bow thruster, Quick windlass, and a 120m inox chain** with a 27kg **Ultra anchor**, ensuring secure mooring.

Additionally, it comes with **electric toilets** in the head cabin and a **newly updated furling system**, making it a ready-to-sail vessel for discerning buyers seeking reliability and luxury on the water.
