

Jeanneau Sun Odyssey 479 for sale in Greece

2017 **Jeanneau Sun Odyssey 479** is an elegant and spacious cruiser that offers a **perfect balance of performance, comfort, and style**. The boat features a bright, modern interior with **four double cabins, each with en-suite facilities**, providing accommodation for up to eight guests in total comfort. The generous saloon, equipped galley, and smart deck layout make it ideal for both family cruising and extended voyages.

Powered by a reliable **Yanmar 56 HP** diesel engine (3124 hours) with a sail drive, and fitted with furling mainsail and genoa, this yacht ensures smooth handling and enjoyable sailing in all conditions.

This particular example stands out for its recent upgrades and meticulous maintenance, making it turnkey ready for the upcoming season. Highlights include **new solar panels** (2x175W Victron, 2024) with a Smartsolar MPPT controller, **new Exide engine batteries** (2024), **new bimini and sprayhood** (2024), and **new cockpit cushions** (2023).

The yacht is also equipped with a **full Raymarine navigation suite**, a **Quick bow**

thruster, a Fusion MS-AV750 sound system with **Bose speakers**, and a Lofrans **electric windlass** with a **new Delta anchor and 80m chain** (2024).

With its **electric bathing platform**, teak cockpit, **Kappa dinghy with a 2025 outboard**, and comprehensive safety equipment, this Jeanneau Sun Odyssey 479 is an outstanding opportunity for anyone seeking a stylish, capable, and ready-to-sail yacht for Mediterranean or offshore cruising.

The yacht will be available for takeover at the end of the 2026 season, in late October.
