Jeanneau Sun Odyssey 52.2 for sale

This **Jeanneau Sun Odyssey 52.2**, built in 2000 and extensively upgraded in recent years, offers generous space, comfort and excellent equipment for extended cruising or charter use. She accommodates up to 10 guests in **five cabins, 4+1, and features five toilets**.

Powered by a **75HP Yanmar** engine, she has a 400-litre fuel tank and an impressive 1,000-litre freshwater capacity.

Sailing is made easier by **furling mainsail and genoa, both renewed in 201**9, twin steering wheels, **two electric winches** and a **bow thruster**.

Navigation equipment includes an autopilot, GPS **chartplotter**, **radar**, depthsounder, log and wind instruments, while the onboard safety equipment includes an **EPIRB**, inflatable **life raf**t, VHF radio and life jackets.

The Jeanneau Sun Odyssey 52.2 has benefited from substantial ongoing investment, with numerous upgrades to her systems, furnishings and deck equipment. Improvements include **new upholstery and cabin mattresses**, curtains, LED interior lighting, batteries, electronics, a **Victron battery charger**, a serviced bow thruster and a **powerful electric anchor windlass**.

In 2023, the **cockpit and transom teak decking was replaced** with high-quality genuine Burma teak, the winches and toilet pumps were serviced, the **anchor was fully galvanized**, and the engine received a full service.

Additional features include **two refrigerators**, a gas cooker, hot water, a spacious cockpit with an extra-large table, a bimini, sprayhood and a **2.70-metre dinghy** with a special V-shaped hull for improved stability.

Combining generous accommodation, practical cruising equipment and significant recent maintenance, this Jeanneau is well suited to comfortable sailing holidays and longer voyages.
