

Jeanneau Sun Odyssey 54 DS for sale in Greece

The **Jeanneau Sun Odyssey 54 DS** (2005) is a true bluewater cruising yacht that blends elegant design, solid performance, and remarkable onboard comfort. With its powerful 100 hp Yanmar engine, dual helm stations, and furling sails, it offers reliable handling for both coastal and offshore passages.

The yacht features a robust GRP hull, CE Category A certification, and upgraded electrical systems, including solar panels, Victron MPPT, new batteries (2024), inverter, and a portable generator, all ensuring efficiency and autonomy at sea.

On deck, guests enjoy a teak cockpit, bimini, sprayhood, cockpit cushions, and a generous bathing platform with shower and swimming ladder, supported by practical equipment such as a Delta anchor with 70m chain, electric windlass, and four winches.

Inside, the spacious Deck Saloon layout offers bright, comfortable living with a U-shaped sofa for six, a convertible saloon table, additional lounge seating, TV, sound system, and 2.05 m headroom. Designed for large crews or family cruising, the yacht accommodates up to 12 persons across five cabins and four en-suite heads,

including four double cabins and a forward bunk cabin.

The well-equipped galley, with a 4-hob stove, oven, fridge, large ice box, and double sink with freshwater and saltwater taps, supports long passages, while heating and a 60 L water boiler enhance comfort year-round. The yacht presents an excellent opportunity for those seeking a capable, upgraded, and generously appointed offshore cruiser.
