

Jeanneau Sun Odyssey DS 43 for sale in Spain

Description

Sun Odyssey DS 43, 2000, for sale- experience the ultimate sailing adventure with fully equipped sailboat. This boat, 13.21 meters long and 4.19 meters wide with a 1.9-meter draft, offers both comfort and performance, having recently completed a 2000 nm journey in the Mediterranean. The boat sailed once across the Atlantic and stayed in the Caribbean from 2016 to 2018.

The sailing boat features a **new furling mainsail** and a **70m new anchor chain**, with a Genoa in good condition plus a spare.

The original Yanmar engine has **3000 hours** remaining before detailing and includes a direct drive with an **Autostream feathering propeller**.

The boat has a water capacity of 670 liters and a fuel capacity of 200 liters.

It is equipped with **davits for a dinghy** and **RAYMARINE electronics from 2018**, including **Radar QUANTUM**, **two Axiom plotters**, and wind and depth instruments.

Additional equipment includes a **Diesel genset Dynamica 3.5kW**, a **Raymarine autopilot**, and an **Aquabase water maker** with a capacity of 100 liters per hour.

For comfort and living, the boat has **two bathrooms with showers** and a **marine air conditioner** in the salon.

The original **4-cabin version with 8 berths** is currently configured as a **2-cabin** setup with convertible walls. The cabins feature new white upholstery.

Solar panels with a capacity of **400W** are installed on a large Caribbean-style aluminum rear arc, and the boat is fitted with **new AGM batteries with a capacity of 280Ah**. The galley includes a **fridge**, **freezer**, and gas stove.
