

Jeanneau Sun Odyssey DS 54. First owner.

Description

The Jeanneau Sun Odyssey DS 54, a 2005 model, offers a blend of style, comfort, and advanced functionality. The **current and first owner** has maintained this boat well, ensuring **all essential electronics were updated with Raymarine systems** in 2014. This yacht's GRP hull and fin keel ensure a sturdy yet smooth experience on the water. With a length overall (LOA) of 16.38 meters, a 4.87-meter beam, and a draft of 2.3 meters, the Sun Odyssey DS 54 provides a spacious layout that accommodates both relaxation and performance cruising. Equipped with a **Yanmar 100 hp** diesel engine, Max-Power **bow-thruster**, and a recently serviced Onan Cummins 13kW **generator**, the yacht is designed for reliability and ease of handling, with **2,628 engine hours** recorded as of October 2024.

Comfort is paramount on this vessel, offering a well-equipped galley with a Frigoboat refrigerator, deep freezer, ENO four-burner stove, and microwave, plus cozy accommodations featuring a forward master cabin with ensuite and two aft double guest cabins, also en-suite. Climate control is ensured by Climma air conditioning units and a Webasto heater. The rigging and sails, including a UK furling mainsail and genoa replaced in 2016, are complemented by Sunbrella covers and cockpit cushions renewed the same year, enhancing both performance and aesthetics. Deck equipment includes a Zodiac 3.10m dinghy, an Ultra anchor, and an electrical passerella, while safety is ensured with an 8-person life raft and a sturdy Lofrans 1500W windlass. With a mooring fee covered until May 2025, this boat is a ready choice for those seeking a well-maintained, stylish cruiser for extended voyages.
