

Jeanneau SunShine 38 for sale in Greece

The Jeanneau Sun Shine 38 for sale, built in 1986, is a well-regarded cruising sailboat designed by Tony Castro. Known for its solid construction and performance, the Sun Shine 38 features a sleek hull design, a spacious cockpit, and a comfortable interior layout. It boasts a wide beam that provides ample living space below deck. The interior includes a well-equipped galley, a navigation station, and multiple berths, making it suitable for extended cruising. Its sailing capabilities, combined with Jeanneau's reputation for quality, make the Sun Shine 38 a popular choice among sailing enthusiasts.
