

Jeanneau Symphonie 32 for sale in Greece

The Jeanneau Symphonie 32, a classic sailboat built in 1982, offers a comfortable and reliable cruising experience. Powered by a **Yanmar 20hp engine**, this vessel is well-suited for coastal sailing and extended voyages. The interior features **two cabins and one head**, providing ample space for a small crew. While the boat is in acceptable condition and **sold as is**, it comes equipped with essential navigation and safety features, including a **compass, echo sounder, sea charts, depth sounder, and a life raft**.

Additional amenities on board include a **bathing platform, deck shower, dinghy, and gangway**, making it convenient for enjoying coastal activities and exploring nearby destinations. The galley is equipped with a **gas hob, refrigerator, and a manual toilet**, ensuring basic cooking and sanitation needs are met. With its **classic design, reliable engine, and comfortable accommodations**, the Jeanneau Symphonie 32 presents an attractive option for those seeking a nice, affordable sailboat.

The boat is sold as is. All the equipment can be seen in the pictures/videos
