

Jongert 2000S for sale

Jongert 2000S is a stunning **20.20-metre aluminium** performance **ocean cruiser**, designed by renowned naval architect Doug Peterson and built by the legendary Dutch Jongert B.V. shipyard. This boat was substantially refitted in 2006 and has continued to benefit from numerous upgrades in recent years.

Her **aluminium hull**, deck and superstructure, protected **central deckhouse** and powerful Rondal cutter rig give her an impressive blend of performance, safety and practicality.

The yacht is particularly **well equipped for serious cruisin**g. Her rig incorporates **hydraulic in-mast mainsail furling**, **hydraulic genoa and staysail furlers**, while the extensive Lewmar hydraulic winch package makes sail handling remarkably straightforward.

Manoeuvrability is excellent, with a **186 hp Perkins Sabre** diesel, Hundested variable-pitch propeller and a 12.5 kW retractable hydraulic **bow thruster**. Her **2.60-metre Scheel keel** with lead ballast provides a combination of stability and reduced draft, allowing access to a wider range of cruising grounds.

Navigation equipment includes an **updated Garmin** package with **chart plotters,**

radar, autopilot and sailing instruments, complemented by a **25 kW Onan generator**, updated **Victron electrical** equipment, a 62-litre-per-hour **watermaker**, reverse-cycle **air conditioning** and **Webasto** heating.

Below deck, Jongert 2000S offers a spacious and refined interior finished in **high-quality teak** joinery, **leather upholstery and Alcantara headlinings**. The large aft owner’s suite features French beds, a vanity area, ample storage and a generous ensuite **bathroom with a separate shower**.

Forward are **two mirrored guest cabin**s with upper and lower berths, each **with its own ensuite bathroom and separate shower**, while a dedicated **crew cabin** with ensuite facilities occupies the forepeak.

The well-appointed galley includes a four-burner induction hob, **microwave/grill**, multiple refrigeration and freezer units, **dishwasher** and **twin stainless-steel sinks**, with a washing machine adding further practicality for extended cruising.

A **hydraulic fold-out bathing platform**, folding passarelle, **foredeck tender storage** and protected cockpit complete a yacht that combines genuine bluewater credentials with an exceptional level of comfort.

Location: Cannes, France

Flag: Poland

VAT paid

- Length Overall: 20.20 m
- Beam: 5.35 m
- Draft: 2.60 m
- Hull, deck & superstructure: Aluminium
- Thermal hull insulation
- Dark blue painted topsides with white waterline stripes
- White painted superstructure
- Teak-laid side decks, coachroof and cockpit
- Antifouling: 2024

KEEL & STEERING

- 2.60 m Scheel low-draft fin keel with lead ballast
- Aluminium rudder blade
- Wheel steering at main helm
- Emergency steering
- Hydraulic retractable bow thruster, 12.5 kW

ENGINE & PROPULSION

- Perkins Sabre M185C 6-cylinder turbocharged diesel
- Power: 186 hp @ 2,100 rpm
- Engine year: 2014
- Engine hours: approx. 2,000
- Borg Warner hydraulic gearbox
- Fresh-water cooled via heat exchanger
- Twin Racor fuel filters
- Hundested variable-pitch propeller
- Maximum speed: approx. 10 knots
- Cruising speed: approx. 8 knots @ 1,800 rpm
- Fuel consumption: approx. 8.5 L/h at cruising speed
- Electronic throttle/gear controls at both helm stations

RIG & SAILS

- Rondal aluminium mast and boom
- Keel-stepped masthead rig
- Three sets of spreaders and jumper struts
- Stainless-steel rod standing rigging
- Approx. 27 m air draft
- Rondal hydraulic in-mast furling mainsail system
- Rondal hydraulic genoa and staysail furlers
- Navtec hydraulic twin backstays and rod vang
- Checkstays
- Twin mast-mounted aluminium spinnaker poles
- Holmatro hydraulic mast jack
- Lewmar hydraulic winch package
- Hood Dacron furling mainsail
- Hood Dacron furling staysail (1999)

- Beilken Sails Pentex 140% furling genoa (1999)
- Asymmetric gennaker/MPS

WINCHES

- 2 x Lewmar 70ST 2-speed self-tailing hydraulic primary winches
- 2 x Lewmar 65ST hydraulic staysail winches
- 2 x Lewmar 65ST hydraulic checkstay winches
- 1 x Lewmar 60ST hydraulic mainsheet winch
- 1 x Lewmar 43ST manual mainsheet traveller winch
- 1 x Lewmar 55ST hydraulic halyard winch
- 3 x Lewmar 55ST halyard winches at mast base
- 2 x Lewmar 2-speed self-tailing mast-mounted halyard winches

ELECTRICAL SYSTEM

- 24 V DC primary domestic system
- 12 V DC engine starting circuit
- 220 V AC via generator, shore power or inverter
- 6 x 210 Ah Exide Gel service batteries, 630 Ah @ 24 V (2022)
- 2 x 115 Ah engine start batteries (2020)
- Mastervolt battery monitoring system
- Victron Skylla-TH 24/100 battery charger (2020)
- Victron Phoenix 24/3000 inverter
- 24 V engine-mounted alternator
- Proytec SL cathodic protection system
- 220 V AC shore power
- 380 V AC shore power

GENERATOR

- Onan Marine 20MDKAF diesel generator
- Output: 25 kW
- 220 V AC, 50 Hz
- Approx. 3,500 hours

NAVIGATION & COMMUNICATION

Central/Doghouse Helm

- Garmin chart plotter display (2020)
- Garmin closed-array radar (2020)
- 2 x Garmin GMI 20 multifunction displays
- Garmin GMI 20 autopilot control
- Furuno GPS Navigator
- Steering compass

Aft Helm

- Garmin GPSMap 8416 8″ chart plotter (2020)
- Garmin GHC-10 autopilot control head (2020)
- B&G Hercules Synchro wind, speed, depth and compass displays
- Steering compass

Communications

- Sailor VHF with DSC and cockpit handset (2007)
- ICS Nav6 Navtex
- Asus PC with BenQ monitor
- B&G multifunction repeater in owner’s cabin

WATER & PLUMBING

- Fresh-water pressurised system
- Approx. 1,550 L fresh-water capacity
- Engine-driven calorifier
- 220 V immersion heater
- Hot & cold showers in all heads and at transom
- MT Freshwater 1500 reverse-osmosis watermaker
- Production: approx. 62 L/hour
- Manual and electric bilge pumps
- Five bilge compartments
- Approx. 500 L black-water holding tank

FUEL

- Approx. 1,550 L fuel capacity
- Fuel tank cleaned in 2021

AIR CONDITIONING & HEATING

- Marine Air reverse-cycle air conditioning
- 3 x AC units
- Webasto diesel-fired hot-air heating system

GALLEY & DOMESTIC EQUIPMENT

- AEG 4-burner 220 V induction hob
- Extractor fan
- Panasonic inverter microwave/grill
- Top- and front-opening refrigerator with freezer compartment
- Waeco dedicated freezer
- Drinks fridge in owner’s cabin
- Electrolux 6-setting dishwasher
- Twin stainless-steel sinks
- Candy Aquamatic 3.5 kg washing machine

ACCOMMODATION

- Accommodation for 6 guests
- Large aft owner’s suite with French beds
- Owner’s vanity and hanging lockers
- Large owner’s ensuite with separate shower
- 2 x forward guest cabins with upper and lower berths
- Ensuite bathroom facilities in both guest cabins
- Separate shower cubicles
- Forward crew cabin with ensuite facilities
- Teak interior joinery throughout
- Leather saloon upholstery
- Alcantara headlinings
- Carpeted floors
- Teak galley flooring
- Curtains and blinds
- White laminated bathrooms with teak floors
- U-shaped saloon seating
- Custom folding dining table
- Dedicated chart table
- Walk-through galley

- Walk-in machinery space access

DECK & COCKPIT

- Protected central deckhouse with enclosed cockpit
- Central helm/pilot station
- Aft sailing helm
- U-shaped cockpit seating
- Folding teak cockpit table
- Electro-hydraulic fold-out bathing platform
- Folding stainless-steel and teak bathing ladder
- Folding passarelle
- Foredeck tender stowage
- Stainless-steel pulpit and pushpit
- Twin guardwire stanchions and side gates
- Side boarding ladders
- Deck shower
- Sprayhood extension with aft enclosure
- Leather cockpit cushions
- Tender cover
- Aft helm pedestal cover
- Winch covers

ANCHORING & MOORING

- Quick 24 V reversing electric windlass with remote control
- CQR anchor with 110 m stainless-steel chain
- Spare anchor with 80 m chain
- Warps and fenders

TENDER

- Lomac rigid-bottom inflatable tender
- Evinrude 30 hp outboard (2013)

ENTERTAINMENT

- LCD TV with DVD player in saloon
- LCD TV in owner’s cabin

- Stereo systems with speakers in saloon, owner’s cabin and forward cabins

SAFETY EQUIPMENT

- Crucero 8-person canister liferaft (2018)
- 8 x life jackets
- 4 x lifelines
- 2 x liferings
- Electric foghorn
- Radar reflector
- Remote-control searchlight
- Automatic engine-room fire extinguisher system
- Fire extinguishers
