

Lagoon 410 S2 for sale

Always privately owned Lagoon 410 S2 (2006) never chartered, with VAT paid and a transparent and well-documented ownership, maintenance and upgrade history.

She has been consistently maintained, sensibly upgraded, and kept in excellent cruising condition, **fully equipped for extended cruising and longer passages.**

This is a **well-cared-for catamaran** where reliability, safety, and readiness have always been the priority, making her a particularly strong and honest example of the model.

The boat represents **one of the final hulls of this highly regarded Lagoon 410 S2 series.** She offers the popular **4-cabin/2-head layout**, providing excellent space, comfort, and practicality for family cruising and liveaboard life.

Mechanically and structurally, she presents a solid and well-documented cruising specification. She is powered by **two Volvo Penta MD2040** engines (approx. 3900 hours), **both professionally overhauled in 2024.**

Standing rigging was renewed in 2023, running rigging renewed in stages between 2023 and 2026, with all running rigging now from 2023 or newer, and key deck and sailing systems have been systematically upgraded in recent years.

Energy autonomy is provided by a **1000 W solar system with Victron management** and modern service batteries, supporting extended off-grid cruising.

Onboard, Lagoon 410 S2 is **fully equipped** for comfortable and self-sufficient life at sea. Navigation and electronics include **Raymarine chartplotter, autopilot, radar, AIS, VHF**, and **Starlink**, complemented by a comprehensive safety package with **liferaft, EPIRB**, and modern inflatable life jackets.

Comfort systems include **hot water, refrigeration, induction cooking**, ventilation in all cabins, and a well-organised galley and deck layout.

Overall, this is a capable and **ready-to-sail bluewater cruising catamaran**, combining proven design, careful ownership, and meaningful upgrades.

Location: Messolonghi, Greece
