

Lagoon 46 for sale in Greece. Ideal condition.

The Lagoon 46 for sale in Greece, a 2021 model, is a stunning and highly equipped luxury catamaran designed to provide the ultimate sailing experience. With its spacious and well-designed interior, cutting-edge technology, and top-notch amenities, this vessel is perfect for those seeking adventure on the high seas while enjoying the utmost in comfort and convenience.

Accommodations:

The yacht boasts a total of 4 cabins, each elegantly appointed to ensure a restful night’s sleep for all passengers. Additionally, there are 2 forepeak cabins, providing ample space for additional guests or storage needs. One of the cabins includes a private en-suite bathroom, while the other four are equipped with electric toilets, adding to the convenience and comfort of the passengers.

Engines:

Powered by two robust 57HP Yanmar 4JH57 engines with a total of 1800 hours of

use, this catamaran offers reliable and efficient propulsion, ensuring smooth and worry-free voyages.

Sail:

The 2021 Roller Genoa and Standard Mainsail are state-of-the-art, offering excellent control and performance, making sailing a breeze for both novice and experienced sailors.

Navigation:

The navigation pack, including B&G equipment, ensures that you have all the essential tools at your fingertips to navigate safely and efficiently, even in challenging conditions.

Entertainment:

For onboard entertainment, the yacht features a Fusion RA70N audio system with six loudspeakers spread across the salon, cockpit, and flybridge, providing a superb auditory experience for all guests.

Additional Features:

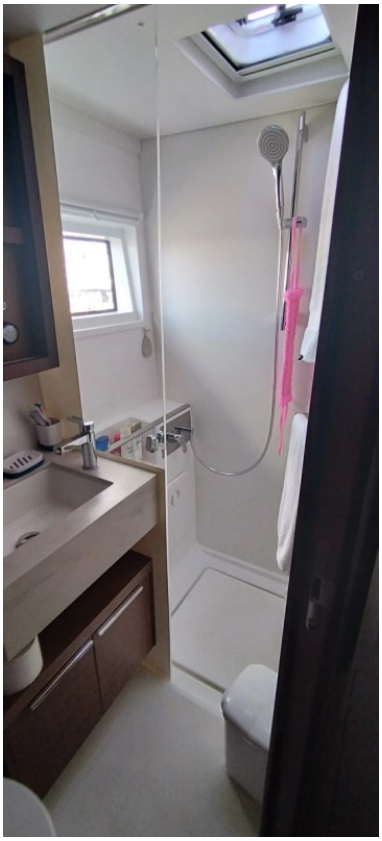

- Hydraulic gangway (3 meters) for easy access to and from the vessel.
- A 2.90-meter Rib dinghy and a Yamaha 6 HP outboard engine for shore excursions and exploration.
- A powerful 2000W inverter that converts 12V to 220V, ensuring a reliable source of electricity for all your devices.
- An ONAN 11 KWA generator for backup power and extended stays in remote locations.
- A WEBASTO 52000 BTU air-conditioning system to keep the interior cool and comfortable, regardless of the external climate.
- A watermaker capable of producing 140 liters of fresh water per hour, ensuring a steady supply of clean water for all onboard needs.
- Two rear-view cameras for enhanced safety and maneuverability.

VAT – not paid

Overall, the Lagoon 46, 2021, represents the epitome of luxury and performance in

the world of catamaran sailing, offering a memorable and comfortable experience for all who step aboard.
