

Lagoon 570 for sale in Italy

The **2004 Lagoon 570** is a spacious and **extensively upgraded bluewater cruising catamaran**, professionally refitted by the **second owner** in 2025 to offer exceptional comfort, autonomy, and reliability for long-distance cruising.

The boat features a highly desirable **5-cabin layout** with five double guest cabins, each with **electric bathrooms**, plus a separate crew cabin in the forward peak.

During the 2025 refit, **all guest cabins and crew areas were comprehensively renovated**, creating a fresh and modern interior atmosphere.

The Lagoon 570 delivers remarkable onboard volume and stability, comfortably accommodating **up to 14 guests**.

The spacious **teak cockpit, new cushions**, wide side decks, and practical sailing layout make her equally suited for relaxed family cruising or professional operations.

Mechanically, the yacht is powered by **twin Volvo 75 hp engines from 2025** with approximately **100 hours**, paired with sail drives also showing around 100 hours of use.

The electrical system was substantially modernised in 2025 and includes **14 solar panels** with Victron regulators, **six new 225Ah service batteries**, four dedicated engine and radio batteries, a **Victron 3000W inverter**, a Victron Multiplus charger, and a 220V shore power connection, providing **excellent energy independence**.

Navigation equipment includes **Furuno GPS and autopilot**, Standard VHF, **radar**, wind instruments, and **two chartplotters** visible from the helm, **upgraded in 2024**.

The **rigging was replaced in 2016**, while the **sail inventory was renewed in 2024** and includes a full-batten mainsail, self-tacking genoa on Profurl, a large **fly genoa added in 2026**, and a spinnaker with sock.

Additional highlights include an **electric Lewmar winch**, Lofrans 1700W windlass, **40 kg anchor with 80 metres of chain**, dual 60-litre hot water tanks, **three refrigerators plus freezer**

Air conditioning, photovoltaic system with Victron inverter, rigid-bottom **Walty tender with 15 hp outboard**, and a **12-person life raft**.

This Lagoon 570 represents a rare opportunity to acquire a fully updated and exceptionally well-equipped cruising catamaran ready for immediate use.

Location: Sardinia, Italy
