

Leopard 45 owner’s version for sale in Greece

Leopard 45 Owner’s Version (2020) RIVERCAFE is an exceptionally well-equipped sailing catamaran, built by Robertson & Caine in South Africa.

This is one of the **last Leopard 45 models produced in the highly desirable owner’s configuration without the upper lounge,** offering a more streamlined design and excellent sailing performance.

Featuring a spacious **three-cabin** layout, the yacht provides a luxurious owner’s suite occupying the entire starboard hull, complete with a large private bathroom, while the port hull accommodates two comfortable guest cabins, each with its own en-suite bathroom.

The bright **panoramic saloon** features leather upholstery, an adaptable dining area, and **direct access to the forward and aft cockpits**.

Air conditioning with heating throughout, composite teak decking, generous outdoor seating areas, and carefully selected interior finishes create an exceptionally comfortable environment for extended cruising or living aboard.

Designed and extensively **equipped for serious bluewater cruising**, RIVERCAFE is a proven ocean-going catamaran and **winner of the ARC+ 2020**.

Her comprehensive sail inventory includes an **Ullman square-top mainsail and genoa**, a symmetrical **spinnaker**, and a **Code Delta sail with furling** system.

She is powered by **twin 45 HP Yanmar** diesel engines with approximately **1400 hours** each, regularly maintained by Yanmar Service and fitted with **folding propellers**.

Her impressive energy independence comes from a **substantial lithium battery bank**, extensive solar panel installation, **twin 3000 W inverters**, and a **9 kW diesel generator**.

Additional equipment includes a Sea Recovery **watermaker** producing 117 litres per hour.

Raymarine **Axiom navigation** electronics, **radar**, **AIS** transceiver, **autopilot with remote control**, and **Starlink** satellite communications.

With **780 litres of freshwater** and **780 litres of diesel** capacity, she is exceptionally well prepared for long-distance passages and extended periods at anchor.

RIVERCAFE offers an outstanding level of onboard comfort and self-sufficiency, with equipment rarely found together on a catamaran of this size. Her fully equipped galley features both induction and gas cooking facilities, an oven, **dishwasher**, multiple **refrigerators, and a freezer**, complemented by a **washing machine/dryer** and an outdoor **barbecue**.

The **protected helm station**, custom cockpit weather enclosure, spacious forward lounge, and comfortable aft cockpit make her equally suited to offshore adventures and relaxed Mediterranean cruising.

Additional highlights include a **Bauer diving compressor**, Fusion Marine entertainment system, **electric dinghy davits**, a **3.40 m tender with Yamaha 15 HP** outboard, an **Ultra 35 kg** anchor with 70 m of chain, and extensive spare parts and tools.

Presented in excellent condition, RIVERCAFE represents a rare opportunity to

acquire a comprehensively equipped, ocean-proven owner’s version Leopard 45, r**eady for her next adventure.**
