

## **Lovely long sailer 1991 Nauticat 40 Pilothouse**

A lovely long sailer that is regularly maintained and well looked after. The Nauticat 40 Pilothouse is designed with comfortable long sails in mind both under sail and under engine. The powerful diesel engine and ketch & cutter rig with furling and foresail on furling make it easy and safe to handle in all weather conditions. Inside, it gives a very spacious impression with standing height throughout the interior. Engine replaced in 2017 and stainless tanks installed in 2011.
