

Mamba 31 is good for a couple or a family as a first boat

Carisma is a good first boat for a couple or a family. Lots of space, 2 adults in the foredeck, 2 adults in the sleeping saloon, and an adult or two smaller in the twin berth.

Lots of stowage space in the boat. A bathing jetty and bathing ladder are located at the stern. There is also a ladder on the point in the bow.

Carisma is not a new boat, it has spent 42 years on the lake, it has a lake water-cooled yanmar ysm 12 that runs like clockwork and has been properly serviced annually.

ATTENTION! 6 sailboat supports boat tarpaulin, and a stand for tarpaulin included.
