

## Matcher 37 for sale in Denmark

1987 Matcher 37 sailboat, an excellent blend of classic design, performance, and comfort. This well-maintained vessel is ideal for seasoned sailors and those looking for a reliable cruiser for extended voyages or weekend getaways.

Over the past winter, the bottom was **fully refurbished**, stripped down and treated with a new epoxy primer, providing superior protection against moisture and hull damage. Additionally, a fresh coat of **bottom paint** was applied, enhancing its resistance to fouling and ensuring a smooth and efficient glide through the water. The **rigging** was replaced **5 years ago** and is in a very good condition.

One of the standout features is the large cockpit, designed for both comfort and functionality. The cockpit is spacious, making it perfect for relaxing or socializing, whether underway or at anchor. It is equipped with a **full-size cockpit tent**, offering extra living space and protection from the elements. This tent transforms the cockpit into a sheltered, comfortable area, ideal for extended stays onboard, even in inclement weather. The equipment includes **chart plotter, GPS**.

The boat is powered by a **Yanmar 30 hp** diesel engine, renowned for its reliability and fuel efficiency. This engine offers ample power for cruising in varied conditions and ensures smooth and efficient maneuvering in marinas or tight spaces.

**Regularly maintained**, the engine is in excellent working order, providing peace of mind during extended voyages.

As a 37-foot vessel, the Matcher 37 is known for its solid sailing performance, with a well-balanced design that handles smoothly in various wind conditions. Its length and rigging make it suitable for both coastal cruising and offshore passages, providing a perfect combination of stability and speed.

Location: Kolding, Denmark

Flag: Denmark
