

Mirage 29 (1982) by Thames Marine is a true gem for sailors seeking a comfortable, reliable, and well-equipped cruiser. She offers spacious accommodations for up to six people, featuring **two cabins** and multiple convertible sleeping areas.

Completely renovated by her second owner, this yacht boasts a near-**new Sole Diesel 27hp engine with only 414 hours**, freshly serviced and maintained to perfection.

Inside, you'll find a cozy, **clean interior** with ample storage, a spacious galley with a two-burner gas stove and oven, and a 70L freezer. The boat is fitted with an **electric toilet, dual showers** (indoor and outdoor with hot water), and a practical layout ideal for long weekends or extended coastal cruising.

The Mirage 29 is outfitted with an impressive list of features and upgrades, including a **remote-controlled electric windlass** (freshly serviced) with **80 meters of chain** and a 10kg **Delta anchor**.

The engine room has new insulation and a security camera linked to the onboard TV.

Recent upgrades include a **new shaft sleeve, full valve replacements, and fresh antifouling**.

She carries 70L of diesel and a 200L freshwater tank. For energy efficiency and autonomy, the boat features **three solar panels, two solar charge controllers, two inverters, and a new Victron Energy battery charger**.

Additional navigation and safety gear includes a **new Icom VHF and AIS, autopilot** mounted on the tiller arm, and a six-person life raft.

Extras like the **Suzuki 2.2hp outboard engine, water heater, smoke, bilge, and battery sensors** make this boat a fully equipped cruiser - ready to sail from day one.
