

Moody 33 MK1 for sale in Greece

The **Moody 33 MK1** (1977), designed by renowned naval architect Angus Primrose and built by Marine Projects (UK), is a respected cruising yacht known for her seaworthiness, comfortable accommodation, and practical sailing characteristics.

Powered by a reliable **23hp Vetus M3.10** diesel engine **with only 250 engine hours** and **serviced in 2026**, this yacht cruises comfortably at around 5 knots while maintaining economical fuel consumption.

Her well-maintained rig includes **Furlex headsail** furling, renewed **standing rigging (2015)**, slab-reefed mainsail with stack-pack and lazy jacks, plus a comprehensive sail inventory featuring a genoa, storm sail, cruising chute, and spinnaker.

Below deck, the Moody 33 provides comfortable accommodation for up to six guests with **two private cabins** and a spacious saloon.

The interior features a fully equipped galley with a **Flavel two-burner cooker, oven and grill**, refrigerator, pressurised hot and cold water system, and ample storage including hanging and wet lockers.

Navigation and cruising equipment are extensive, including a Northstar GPS plotter, **Furuno radar**, Simrad **autopilot**, Icom DSC VHF radio, depth sounder, **wind instruments**, and full navigation lighting.

Additional highlights include solar charging, inverter, shore power, electric and manual bilge pumps, a **Quick anchor windlass**, self-tailing Lewmar winches, cockpit cushions, sprayhood, winter and summer covers, a **four-person liferaft**, and a 2.3m inflatable **dinghy with Honda outboard**.

A proven cruising yacht with timeless lines and practical features, this Moody 33 MK1 represents an excellent opportunity for sailors seeking a capable and affordable classic cruiser.
