

Najad 343 for sale in Turkey

The Najad 343, manufactured in 1984, is a classic sailing boat renowned for its seaworthiness and performance. With 2 cabins, a spacious saloon, and a well-appointed bathroom, it offers comfortable accommodation for cruising enthusiasts. Currently undergoing a renovation, this vessel boasts a Volvo Penta MD17D engine undergoing a major overhaul, ensuring reliable power for future journeys.

The hull is in excellent condition, free from osmosis, and has a clean accident history, reflecting the boat's well-maintained and durable construction. While the teak deck requires replacement, the interior showcases the timeless beauty of mahogany, albeit with some areas in need of re-varnishing.

Equipped for sailing adventures, the Najad 343 comes with two sets of Dacron sails in good condition, providing versatility for different wind conditions. Additionally, a spinnaker adds an extra dimension to the sailing experience. As the renovation progresses, this sailing boat promises to combine classic design with modern updates, ensuring both aesthetic appeal and optimal functionality on the open waters.
