

Nauticat 52 for sale in Türkiye

The 1985 **Nauticat 52** is a solidly built, **ocean-going ketch designed for serious bluewater cruising** or comfortable long-term liveaboard life. It offers a stable platform and ample interior volume. Constructed in GRP and displacing over 25 tonnes, this vessel combines strength with classic lines and purposeful design.

Powered by a dependable **135 HP Ford Lehman diesel** engine and equipped with Wesmar bow thruster, maneuvering is straightforward even in tight harbors. With dual 1,000-liter fuel and water tanks, the boat **boasts impressive autonomy**, supported further by a Westerbeke **11 kW generator**, extensive solar panel array, and robust battery system.

Below deck, the Nauticat 52 delivers remarkable comfort and functionality. The layout includes **three well-appointed cabins**- an en-suite master, a guest double, and a bunk cabin- accommodating six people.

Modern amenities such as **air conditioning, a diesel heater**, a fully equipped galley with **Force10 stove, Bosch dishwasher, washing machine, and Engel portable freezer** make life on board both practical and pleasant.

Navigation is aided by a suite of professional-grade electronics, including **Garmin**

chartplotter, Furuno GPS, and Simrad autopilot.

The deck is rigged with a reliable ketch sail plan, including a furling mainsail and storm sail for ocean passages. With recent equipment upgrades and comprehensive outfitting, this yacht is ready to carry her next owners on memorable voyages across the globe.
