

## New Bali 5.8 available by pre-order

### Description

The 2024 Bali 5.8 catamaran, in its 4-cabin configuration, is a luxurious and spacious sailing yacht designed for ultimate comfort and performance. The boat offers three cabins on the port side and one on the starboard side, each featuring en-suite bathrooms. With its sleek design and abundance of natural light, the Bali 5.8 provides a modern, airy atmosphere perfect for long voyages or family charters. The expansive saloon seamlessly blends with the outdoor spaces, thanks to its innovative opening aft door, creating a seamless indoor-outdoor living experience.

Equipped with state-of-the-art systems, the Bali 5.8 features twin 115HP NANNI engines, a 10-11 kw generator, a comprehensive solar panel system, and an advanced Raymarine electronics package. These components ensure ease of handling, high performance, and sustainable cruising. Its sail rigging includes a fully-battened mainsail, a solent, and a 121m<sup>2</sup> Code 0 sail, offering impressive downwind capabilities. Onboard energy management is streamlined through a 16" touchscreen interface, and the boat is outfitted with luxury amenities, including reversible air conditioning, a watermaker, and top-tier appliances such as a large fridge-freezer, dishwasher, and washer-dryer.

The exterior of the Bali 5.8 is built for relaxation and entertainment, with a rigid hardtop rooftop that features sun loungers, a refrigerator, and a sink. The yacht includes underwater LED lighting, sun awnings, and a Plancha grill, perfect for outdoor gatherings. Comfort touches like plush cushions, synthetic decking, and a hydraulic aft platform add to the onboard experience. With its combination of cutting-edge technology, elegant design, and thoughtful details, the Bali 5.8 catamaran offers the ultimate in luxury cruising.

AVAILABLE BY PRE-ORDER, DELIVERY 2025
