

New Dufour 37 for sale

The **Dufour 37** (2025) is an elegant and well-equipped sailing yacht set to launch in April 2025, designed for both comfort and performance. **The boat is brand new and is being sold by the current owner due to family issues.**

Featuring a **three-cabin, one-head** layout with a front galley, it provides ample space for family cruising or weekend getaways. The yacht’s infused hull and deep cast iron keel ensure stability and durability, while the **Volvo 30 HP** engine with a two-blade folding propeller offers reliable power when needed.

Standard rigging includes a mast with two arrowbar levels, a fixed bowsprit, and a fixed backstay, all optimized for smooth and efficient sailing.

Comfort and convenience are prioritized with LED navigation and interior lighting, courtesy lights, mosquito net blinds, and a wooden wine cellar, making life onboard both practical and luxurious.

Built for seamless handling, the Dufour 37 comes with the **Comfort Pack**, including a full-batten Dacron mainsail, self-tacking jib, reefing line system, and lazy bag with lazy jacks for effortless sail management.

The cockpit is thoughtfully designed, featuring a rigid boom vang, an electric windlass with remote control, a cockpit table, shower, and cushions for relaxation at sea.

On deck, synthetic wood with grey joints on the cockpit floor, stainless steel bow protection, a sprayhood with a handrail, and a bimini enhance both aesthetics and functionality.

The **Electronic Cruising Pac**k upgrades navigation with **dual ZEUS 3S 7”** multifunction displays, an **AIS** transmitter/receiver, and **WR10 autopilot wireless remote**, ensuring precise control.

Additionally, the mooring kit, antifouling treatment, and electrical system upgrades—including a 12V/220V converter and a Fusion sound system with interior and exterior speakers—make this yacht **an exceptional choice for sailors seeking modern convenience and performance in a compact yet capable vessel**.

Location: La Rochelle, France
