

Norseman 430 for sale

The **Norseman 430** is a proven **bluewater cruising catamaran** designed for sailors seeking **space, comfort, and reliability at an affordable price**. Built in 1999, this 43-foot multihull offers an impressive **four-cabin, four-head layout**, making her ideal for liveaboard cruising, family adventures, or extended voyages with guests.

With a generous 7.62 m beam, a shallow draft of just 1 m, and twin **Yanmar 3GM30 27 HP** engines, she delivers excellent stability, easy maneuverability, and access to anchorages that are often unavailable to deeper-draft vessels.

This yacht has been thoughtfully equipped for self-sufficient cruising, featuring **1700 watts of solar power**, a substantial battery bank, Victron charging systems, Raymarine navigation electronics, **electric heads**, multiple refrigeration units, and a fully equipped galley with gas and induction cooking options.

Additional highlights include a **RIB dinghy with Tohatsu outboard**, **gas barbecue**, extensive ground tackle, and a large inventory of tools, spares, and cruising equipment.

While the vessel is not new and shows some cosmetic imperfections consistent with

her age and regular use, she represents excellent value for buyers looking for a strong, spacious, and capable cruising catamaran.

The viewing possible from 7/08 till 29/08

Location: Mamaris, Turkey

Flag: Poland

EU VAT paid

- LOA: 12.89 m
- Beam: 7.62 m
- Draft: 0.97 m
- Cabins: 4
- Heads: 4 electric
