

Ocean 60 for sale in South Africa

Description

The OCEAN 60, constructed by Southern Ocean Shipyard in Poole, UK, stands as a testament to enduring craftsmanship, presenting itself in impeccable condition. Built in 1983, this vessel spans a length of 18.29 meters, with a waterline length of 14.33 meters, a beam of 4.72 meters, and a draft of 2.39 meters, all fashioned from durable G.R.P. material.

With its spacious layout, the OCEAN 60 boasts 4 cabins and 3 heads, offering ample accommodation for extended voyages. The cockpit, strategically positioned aft on the deck, ensures optimal visibility and maneuverability for the crew.

This yacht epitomizes robustness, having been constructed to Loyds A1 specifications by a renowned shipyard, rendering it suitable for extensive ocean cruising across various latitudes. The standing rigging underwent a thorough overhaul in 2020 by a professional rigger, though the precise age of the wires and terminals remains undisclosed. However, a comprehensive rigging inspection and insurance report conducted by Warren Fraser of Action Rigging in Cape Town in September 2023 attested to the vessel's structural integrity, with no signs of abnormal wear and tear observed during a visual inspection at deck level.

BOAT DETAILS

- Year built 1983
- Length 18.29 m
- Beam 4.72 m;
- Draft 2.39 m;

Hull

- **Vessel type:** Sailing monohull â?? schooner
- **Keel type:** Modified fin keel, cast iron bolted through internal structure
- **Rudder:** Attached to semi skeg, stainless steel stock â?? firmly mounted on bronze bearing
- **Topsides:** Moulded G.R.P. single skin w/ polyurethane paint finish 2020
- **Undersides:** Moulded G.R.P. single skin w/ red antifouling paint finish â?? existing antifouling 11months

Deck

Moulded G.R.P. single skin w/ polyurethane paint finish 2020

Superstructure: Moulded G.R.P. single skin w/ polyurethane paint finish 2020

Deck hatches: Aluminium frame â?? weathertight â?? crazed window

Primary anchors: CQR â?? 75 Lbs stbd, to port Bruce â?? 35 Kgs

Primary chains: 60 m of 10 mm galvanised chain & rode Strong point: Rope to pad eye

Windlass: Lofrans Tigres painted white â?? 24 V & 1500 W

Deck fills: 2 x To port & starboard amidships labelled water but used as diesel, 2 x fuel to port & starboard amidships & 2 x water to port & starboard aft

Furuno radar on mast first spreader

2 x VHF on stern pole (VHF & AIS)

SSB on backstay & triatic w/ isolators

GPS antenna on stern pole

Furuno GPS on stern pole

COCKPIT

- Stainless steel steering wheel
- Mechanical rod & transfer cases/gearbox to quadrant
- Linear hydraulic ram w/ electro hydraulic pump Furuno Navpilot control autopilot
- Plastimo compass night light functional
- FI-503 Furuno wind angle and speed, Water Depth, Temperature & Boat Speed
- Engine panel Tachometer, oil pressure, water temperature, engine hours & alarms
- Stainless steel frame & canvas bimini (refurbished)
- Manual bilge pump

RIGGING & SAILS

Forestay: Conventional stainless steel 1Ã?19 wire Triatic stainless steel 1Ã?19 wire

Inner forestay: Conventional stainless steel 1Ã?19 wire

Main mast: Anodised aluminium â?? 1 inline spreader â?? 2 parts sleeved

Foremast: Anodised aluminium 1 inline spreader 2 parts sleeved

Backstay: Conventional stainless steel 1/19 wire w/ SSB isolator on both masts

Winches aft mast:

Lewmar 1 x 16ST on boom, 1 x 40 Antal 2 x W40ST

Winches fore mast:

Lewmar 1 x 16ST on boom & 2 x 40 Antal 2 x W40ST

Winches cockpit:

Lewmar 55s x 2 x W60ST & 2 x 55 3 speeds

Genoa: Recently overhauled good condition

Yankee: Recently overhauled good condition

Staysail: Recently overhauled good condition

Main sail: 1 x new (Ullman sails Cpt 2023)

Mizzen Sail: 1 x good condition

Spinnaker: Recently overhauled with new Snuffler bag

GENERATOR

- Northern Lights M673 5 kW 220 V & 50 Hz Shibaura 3 Cylinder diesel engine housed in insulated compartment for noise reduction
- Year of manufacture 02/2010
- Engine hours 3454 hours on gauge (needs checking) Fuel filter Racor water separator from 60lt Day tank PTO 1 x new Alternator mounted on engine
- Engine mounts: brand new x 4, and full set of spares x4 Pan/trap under engine: Yes
- Ventilation: Adequate, inline Jabsco blower 12v
- Cooling system: Raw water w/ strainer to heat exchanger Exhaust type: Wet exhaust w/ G.R.P. muffler
- Exhaust lines: 2 x Exhaust hose sections new
- Start: Electric start from its own 12 V battery Isolation switch w/ parallel set selector.

MAIN ENGINE

- **Yanmar 4JH4-HTE turbocharged, 110 Hp** year unknown Engine: # E20321
- **Engine hours:** 5,900.7 on gauge (to be checked)
- **Fuel filter:** Racor 1000 water separator from 60lt Day Tank
- **PTO:** 2 x Alternators mounted on engine original 12 V & secondary 24 V V belt driven (both rebuilt)
- **Gear box:** Mechanical Borg Warner Velvet drive Aquadrive with vibration dampener
- **Mounts:** Brand new originals (May 2023) Pan under engine fibreglass hold Ventilation: 12 V blower extractor

- **Cooling system:** Raw water w/ strainer to heat exchanger Exhaust type: Wet exhaust w/ G.R.P. muffler

TANKAGE / PLUMBING

- **Fuel Diesel:** 2 x G.R.P. midships integral to the hull â?? 500lt each. Also 2 x forward tanks. Total capacity estimated close to 2,000lt.
- **Fresh water:** 2 x G.R.P. tanks 500lt ea â?? integral to the hull in saloon bilge
Fresh water shut off valves mounted on tanks, Jabsco inline pressure pump good running order (plus 1 x new spare same spec)
- **Water heater:** 220V electric heater (2020)
- **Water maker:** 220 V recently (Sept 2023) rebuilt with new 2,2Kw motor, single membrane unit, membrane new.
- **Sinks:** Stainless steel in galley direct external gravity flush & 3 x grp moulded in heads â?? drain to grey water tank
- **Taps:** Pressurised hot & cold mixer tap Carbon drinking water filter Fresh water pump: 24v V Jabsco electric pump (plus new spare)
- **Holding tanks:** 1 x G.R.P. tank for grey water, shower & sinks w/ automatic electric discharge pump recently refurbished. No black water tanks
- **Heads:** 3 x Manual Raritan pumps to overboard only 1 x Jabsco electric pump to overboard only
- **Showers:** 3 x Pressurised fresh hot & cold showers, Shower sumps: To grey water tank
- 1 x Electric automatic Rule 2500 bilge pump in main sump
- 1 x Electric automatic Rule 2500 bilge pump in engine sump tested

ELECTRICAL SYSTEMS

- AC chargers x2
New (2024) 12v Victron Blue Smart (intelligent/bluetooth) 10 Amps (starter batteries)
New (2021) 24v Victron Energy Phoenix 24-800W â?? 24 V charger
- Inverter- Victron Energy Phoenix 24-800W â?? 800 W inverter and Transformer in-Line Power step down voltage from 220 V to 110 V AC
- DC charger:
- 1 x 12 V & 80 Amps alternator â?? mounted on engine feeds Rev counter
- 1 x 24 V alternator (rebuilt 2024)â?? mounted on engine
- 1 x 12 V & 80 Amps alternator â?? mounted on generator 1 x Superwind Wind generator Pyle 24 V to 12 V transformer for navigation equipment (back of nav. station)
- DC charge regulator- 1 x Alternator smart charge regulator Wing generator internal regulator
- Batteries:
- 8 x 6 V Trojan T105 deep cycle batteries â?? in series & parallel â?? 24 V & 450 A.h â?? (new 2021)
- 1 x 12 V AGM (new 2023) engine start Optima battery
- 1 x 12 V AGM (new 2023) generator start battery
- Battery switches
- 2 x Battery isolators â?? 1/2/both/Off â?? house & engine Bow thruster master breaker, wind generator switch & amps gauge
- 1 x On/off isolation switch for generator start battery Inverter/shore/off selector switch

ACCOMMODATION

- Television Panasonic 32" • monitor 110v
 - DVD player 110v
 - Stereo / CD player Pioneer AM / FM / CD player 12v
 - Stove Force 10 3 burners & oven • new 2021
 - Microwave Genie 110 V excellent condition
 - Refrigerator x 2 / Freezer x1
 - 1 x 220 V compressor (new 2024), air cooled for freezer w/ 2 x holding plates
 - 1 x 24 V compressor air cooled for freezer w/ 1 x holding plate
 - 2 x 24 V compressor, air cooled for 2 x refrigerator w/ holding plate
-
- Cabins 4 x Cabins • ea 1 x single & single/3/4 berths 1 x Crew cabin • twin single berths
 - Heads 1 fwd En-suite to crew cabin 2 x Guest heads amidships
 - 24v variable speed silent fans 1 per ea cabin
 - Furniture Wooden & G.R.P., new galley counter top & layout
Floor boards Plywood w/ teak
 - Varnish mostly satisfactory condition
 - Bilges: clean & dry, forward bilges recently painted

NAVIGATION STATION

- VHF x 2 Icom IC-M402 w/ DSC, Standard Horizon GX2150 Matrix • combined AIS
- GPS: Furuno GP-31, Furuno NavNet GPS chartplotter Radar, Furuno NavNet
- AIS receiver/transmitter • new 2023 Standard Horizon
- Barometer: Digital new 2023
- Spare vhf handheld radio x 1

DINGHY

- New (2023) 4,2m fully inflatable marine ply deck with aluminium reinforcing. 15Hp Evinrude 4 stroke (year unknown • in good running order recently serviced
