

Ocean Star 51 for sale

This **Ocean Star 51**, built in 2006 and extensively refitted in 2023, is a spacious 51-foot sailing yacht designed for comfortable cruising and extended stays on board.

She features a generous **4-cabin layout** plus a separate **crew cabin**, with accommodation for up to 10 guests. **Four guest cabins have their own shower and toilet** facilities, while the crew cabin has separate access.

The yacht offers a bright and practical saloon, fully equipped galley with gas stove and oven, two electric refrigerators, hot and cold water, and a generous **960-litre freshwater** capacity.

Outside, the yacht provides ample space for relaxation, with teak decks, a bimini, sprayhood, stern shower and a comfortable sunbathing area.

Powered by a **100 HP Yanmar** diesel engine with shaft drive, the yacht carries 460 litres of fuel and is equipped with a bow thruster for easier manoeuvring.

Sailing equipment includes furling mainsail and furling genoa, while navigation is supported by **Simrad electronics**, including GPS/plotter, depth sounder, log, wind

instruments and autopilot, with **Navico VHF and EPIRB** for communications and safety.

Additional equipment includes a Vetus **bow thruster**, 1200 W windlass, dual steering wheels, shore power and battery charger, **Yamaha outboard and dinghy**, gangway, two anchors and a full inventory.

All required safety equipment, including a 10-person **life raft** and fire extinguishers, is included, making her well equipped for comfortable cruising and longer passages.

She is currently operated as a charter yacht and is registered to a Greek company, offering the possibility of purchasing the yacht together with the owning company as a ready-made charter business.
