

Orca 36 Sportfish for sale in Martinique

The **ORCA 36 SPORTFISH** is a highly regarded vessel in the world of U.S. sport fishing, known for its robust yet lightweight Kevlar/Nomex construction. With only 18 units built in Florida, this 11-meter boat offers a rare combination of durability, performance, and efficiency.

Powered by **twin 440 HP Yanmar** engines (2015) with **3100 hours**, it boasts an excellent weight-to-power ratio, ensuring economical navigation and extended autonomy.

Designed to accommodate up to **10 passengers**, it provides **four comfortable sleeping berths**, a fully equipped kitchen, and a **shower room with a WC**, making it ideal for both fishing trips and multi-day excursions.

Equipped with state-of-the-art navigation and fishing gear, the Orca 36 Sportfish is built for serious anglers.

It features an **autopilot, depth sounder, radar, two GPS units, and VHF**, ensuring precision and safety at sea.

The **solar panels (2021), refrigerator (2021), 6Kva generator (2014), and air conditioning (2021)** enhance onboard comfort, while new upholstery and a cover add to its fresh appeal.

Designed for deep-sea fishing, it comes with a BIG FISHING TEAM setup, including three outriggers and multiple rod holders. With **three bilge pumps, a freshwater pump, and a seawater pump**, this boat is fully equipped and ready to set sail immediately in Martinique.
