

Owner's boat Bavaria 42 for sale in Italy

The Bavaria 42 for sale in Italy is a spacious and well-maintained sailing boat that offers comfortable accommodation and reliable performance. With 4 cabins, including a bunk cabin, and 2 bathrooms, it can sleep up to 9 people, making it suitable for larger groups or families. This boat is privately owned, and there are no brokers involved, ensuring a direct sale with no commissions. **The VAT has already been paid.**

The interior of the boat is in excellent condition, having been completely overhauled between 2021 and 2023. The owner is selling the boat to upgrade to a higher category, making it an opportunity for potential buyers.

Measuring 12.90 meters in length and 3.95 meters in width, with a draft of 2.0 meters, the Bavaria 42 provides a spacious and stable platform for sailing. It is equipped with a Volvo Penta 50 HP engine, which has approximately 2000 hours of usage and was overhauled in 2022. The sail drive transmission was landed and rebuilt in 2021, including a new membrane, tappet gasket, and oil sensor. The engine was serviced in 2023, ensuring its reliability.

The boat features a Genoa 120% sail from 2016, which was refitted in 2021, as well as a 160% Genoa from 2001, refitted in 2023. The Elvstrom furling mainsail from 2013 is in excellent condition and was also refitted in 2021. The total sail area is approximately 90 square meters, providing good sailing performance.

The Bavaria 42 carries the Italian Flag and has a security certification (Rina) that was recently obtained in June 2023 and is valid until 2028. The seacocks have been replaced with new brass ones in 2023, ensuring the integrity of the hull. The hull and sides of the boat were polished in June 2023. It is equipped with internal LED lights, providing energy-efficient illumination.

Included with the boat is a 230 cm Tender Orange Marine from 2021, powered by a 3.5 HP Mercury engine. Solar panels, both fixed and removable, were installed in 2021, with a total capacity of 100+200 W. The boat has a service battery (AGM 150Ah) from 2022, as well as an 80Ah engine battery. An electric generator capable of producing 220V and 1200W of power was added in 2023.

The Bavaria 42 is equipped with essential navigation and communication instruments, including a tridata, Raymarine autopilot and GPS, a 500W inverter, and a spare 300W inverter. It has a fixed VHF radio and a portable one for flexibility. Safety equipment includes a 2010 Ocean Raft for 10 people, which requires an overhaul, and additional safety equipment suitable for 12-mile journeys.

For anchoring, the boat has a 20 kg anchor with 55 meters of 10 mm chain, along with a 15 kg anchor with rope and chain. Other notable features include a hot water boiler, an LCD television, a cockpit fridge, 3 gas cylinders, an external hot shower, and a USB socket in the cockpit.

The Bavaria 42 has a water tank capacity of 310 liters and a diesel tank capacity of 200 liters, both of which were cleaned in 2021. It comes with a large set of various ropes, mooring springs, a water hose, a current cable, adapters, tanks, fenders, socks, and even a spare rudder. The boat is well-equipped for extended stays at sea during the summer, with a comprehensive set of kitchen utensils, sheets, blankets, pillows, work tools for repairs and maintenance, and small spare parts.

Currently, the boat is visible in Genoa, Italy, until July 20th, and it will then be moved to northern Sardinia. The boat is not for charter and is already registered in the electronic register, simplifying the ownership transfer process. There is no osmosis issue with the boat. Delivery of the boat can be scheduled for the first week

of September 2023.
