

Passport 40 is ready to sail the islands

- Length: 40' Draft: 6' 1"
- Beam: 12' 8"
- Engine: Yanmar 4JH2E
- Engine Hrs: 3090
- HorsePwr: 52
- Tall mast 55'
- Water: 84 gal
- Hull Mat: Fiberglass
- Displacement: 23,000 lbs.

Reverie (formerly koana) went through a total refit during 2000 - 2002 and a repower this year. Standing and running rigging, including mast and boom, plumbing (to include tanks, showers and head), electrical, new Yanmar, awlgrip and bottom barrier coat were all done professionally. She is a well know Bob Perry design with head forward, pullman cabin, main salon with seating for six, spacious yet sea going galley, and enclosed quarter cabin on aft starboard side. She will need some cosmetic work, but is currently ready to sail the islands.

EQUIPMENT LIST

Galley

Danfloss compressor and evaporator
