

Perfect boat for beginners 2005 Bavaria 30 Cruiser for sale

Excellent boat for young sailors and fans. Easy to sail unattended. All ropes go behind and can lock the steering wheel to keep a stable course.

We have had the vessel for 3 years, and now, with a heavy heart, we have decided to sell for a larger boat. The boat is located on the beach corner slip, right by the wolf bridge.

Many advancements in the last 5 years. The bottom fabric has been made this autumn, as well as zinc anodes, etc.
