

Perfect for a family 2006 Bavaria 37 Cruiser for sale

Bavaria 37 Cruiser is an excellent boat for a family of 6-8 people. Its size provides plenty of space on board and easy handling, it also suits well for novice sailors.

All falls and joints are neatly drawn back to the cockpit, which provides clearness and safety.

The table in the cockpit is made of teak and has two flaps and chills well with drainage.

The living area below the deck is big, and the excellent ceiling height creates a good atmosphere. L-galley with all the amenities you need for cooking and storage. The salon suggests lots of space for many people and is equipped with nice shelves and cupboards.

Two cozy and bright aft cabins and a double cabin are on the bow. Good with cupboard space and shelves.

In front of the salon, there is also a bathroom with a shower. The restroom has an

entrance from the living room and the bow.

Mind:

- Septic
- Water 210L
- Diesel 150L
- Hot water

Changed sink, filter, impeller, and oil before season 21/22.
