

Princess 45 Flybridge for sale in Greece

The **Princess 45 Flybridge** is a beautifully maintained motor yacht, powered by twin **Caterpillar 375HP engines** that deliver both reliability and performance, with a **cruising speed of 10 knots and a maximum speed of 26 knots**.

Built in 1988 by Princess Yachts, this 13.95m vessel features a sleek GRP hull in classic white and a flybridge helm for commanding views. The **interior is finished in light cherry wood**, offering a warm and elegant ambiance throughout.

Accommodation includes a forward **master cabin with a double island berth**, a versatile twin guest cabin convertible to a double, and an additional cabin, comfortably sleeping up to six. With **two electric heads**, multiple showers, a spacious saloon, and a well-equipped galley featuring a double sink, hob, refrigerator, freezer, and microwave, this **yacht offers all the comforts of home for extended cruising**.

This Princess 45 is fitted with a comprehensive inventory for safe and enjoyable cruising. Navigation equipment includes a **Garmin 4000 chart plotter and radar**, **Autohelm ST7000**, dual compasses, VHF radio, echo sounder, and log/speed

instruments.

The yacht is also equipped with a **10.6 kW Onan generator**, solar panels, shore power, and recently renewed batteries, ensuring reliable energy supply onboard.

Deck equipment includes a **hydraulic passerelle, davits**, cockpit shower and table, **Bruce anchor with 70m chain**, and bimini.

A Johnson 9.9 outboard and dinghy complete the package, making this **Princess 45 a superb choice for comfortable family cruising** or entertaining friends on the water.
