

Randonneur 1200 for sale

The **Randonneur 1200** (2009), designed by the renowned naval architect Marc Lombard, is a **finely balanced sailing yacht** combining performance, comfort, and craftsmanship. Built using **strip-planked red cedar with epoxy**, this 39-foot cutter-rigged cruiser weighs just 7.5 tons, allowing for smooth and responsive sailing.

Its **twin rudders** and well-shaped keel provide **excellent control and stability** in all sea conditions, especially when sailing downwind. Powered by a reliable Nanni 50 HP engine, the boat is both efficient and **capable of long-distance cruising**.

With **three cabins** and seven berths, it offers generous living space, natural light, and elegant yet practical interior finishes, ensuring a pleasant life on board whether at sea or anchored.

Equipped for blue-water cruising, the Randonneur 1200 features a robust offshore safety inventory, modern navigation electronics, and an energy system supported by **solar panels, dual alternators**, and a **Watt&Sea hydrogenerator**.

Its sail plan includes a **new mainsail**, revised genoa and staysail, and a large

asymmetrical spinnaker, all controlled with **Andersen winches** and Furlex furlers for easy handling.

Additional comforts, including a **new bimini** (2025), cockpit shower, mosquito nets, and a **Zodiac tender** with a Suzuki 4HP outboard, make this yacht a versatile and well-equipped cruiser.

The Randonneur 1200 blends the elegance of French design with the reliability and spirit of true offshore adventure.

Location: Syros, Greece

Flag: France

VAT paid

- Length overall: 11.99 m
- Beam: 4.3 m
- Draft: 1.9 m
- Displacement: 7.5 t
- Ballast: 2,300 kg (keel boat)
- Rig type: Cutter
- Engine: Nanni Diesel 50 HP (model 4220 HE)
- Engine hours: 3,500 h
- Transmission: Sail drive (seal replaced 2019)
- Propeller: Flexofold 3-blade folding propeller
- Fuel tank: 200 L
- Water tank: 350 L
- Cabins: 3
- Berths: 7
- Head: 1

Engine & Mechanical

- Nanni Diesel 4220 HE – 50 HP
- Heat exchanger checked in 2020
- Sail drive seal replaced in 2019
- 3-blade Flexofold folding propeller
- 3500 engine hours

- Bathroom and toilet (aft)
- Mosquito nets and curtains on all portholes

Safety Equipment

- Offshore safety gear
- EPIRB Ocean Signal distress beacon
- 2 Raymarine Lifetag MOB bracelets
- Zodiac Hypalon tender
- Suzuki 4 HP outboard motor (2020)

Electrical System

- New 85 Ah engine battery (2025)
- 4 × new 110 Ah service batteries (2025)
- 3 × 100 W solar panels (2010)
- MPPT solar regulator
- Watt & Sea 300 hydrogenerator
- Cristec 40 A battery charger (110V/220V)
- 120 A alternator (2020)
- 90 A secondary alternator (2017)
- 300 W inverter
- Octofax battery manager
- LED interior lighting

Electronics & Navigation

- Raymarine ST60+ central unit
- ST60+ speedometer
- ST60+ wind vane & anemometer
- ST60+ depth sounder
- Raymarine ST6002 autopilot with JEFA drive
- Raymarine Smartpilot remote control
- Raymarine E80 chartplotter
- Raymarine radar
- Advansea TR200 AIS transceiver (2009)
- Furuno 32 GPS
- ICOM 505 ASN fixed VHF

- Radio Ocean Pocket 4300 handheld VHF
- CD/radio with internal & external speakers
