

Royal Huisman 52 for sale

Seize a rare opportunity to own an exceptional sailing yacht meticulously crafted and maintained. This 52-foot yacht, designed by Sparkman & Stephens and built by the prestigious Royal Huisman in 1978 for the 1979 Admiral's Cup in the Netherlands, stands as a paragon of nautical engineering and timeless design.

Key Features:

- **Hull:** Constructed from durable Aluminium Alloy Nr5183, the yacht underwent a thorough hull scan in 2024, confirming at least 6mm thickness throughout, ensuring excellent condition. The hull is finished with high-quality AWL grip paint.
- **Engine:** Equipped with a brand **new Beta 50 engine, boasting only 7 hours of use** and under warranty until the end of the year.
- **Sails:** Comes with a full set of nearly **new North Sails** in remarkable condition. The owner has an extensive collection of similar sails available for negotiation.
- **Rigging and Mast:** Features a **Proctor mast with Navtec cylinders and Rod Rigging** for superior performance.
- **Deck Equipment:** Fitted with Lewmar self-tailing winches and two grinders,

facilitating smooth and efficient sailing.

- **Navigation and Electronics:** Includes a comprehensive navigation suite with B&G V50 VHF AIS, Raymarine log, depth instruments, radar detector, and reflector lights.

Condition and Maintenance:

- Requires some repairs to the rudder and a small dent on the port side.

This unique yacht is an exquisite blend of historical significance and modern performance, making it a difficult-to-find gem for any sailing enthusiast.

Location: the UK, East Cowes.
