

Sadler 32 for sale in Greece

Sadler 32 is a well-equipped 1980 Sadler, thoughtfully upgraded and maintained for comfortable and self-sufficient cruising. She offers a stable and manageable sailing experience.

A reliable Nanni 3.21 21hp diesel engine is paired with a Technodrive TMC 40 gearbox (2024) and Ultralfex throttle (2025), ensuring dependable propulsion. Victron-based electrical system features solar panels, a smart shunt, an inverter/charger, and both 12v and 240v power, providing excellent autonomy and liveaboard potential.

On deck, she boasts practical cruising features such as a Lowfrans electric windlass, Rocna anchor with 60m chain, davit for outboard lifting, and lines led aft to the cockpit. Her sail wardrobe includes a Crusader main and jib (2019, serviced 2025), large Genoa, cruising chute, and spares. The new 2025 Seldon mast and roller furling add confidence for extended passages.

Below deck, Sadler 32 is cosy and functional, with a well-equipped galley (including gas and induction cooking), manual heads with holding tank, and generous fresh water storage. Safety gear is comprehensive and up-to-date, and the 2.6m tender with a 6hp Tohatsu outboard ensures independence ashore. She comes with a

wealth of tools, spares, and thoughtful extras- ready for her next adventure. Her GRP hull was freshly antifouled in 2025.

The owner is currently sailing in the Ionian. Viewing is possible by prior arrangement.

Location: Lefkada, Greece

Flag: UK

- LOA: 9.6m
- Beam: 3.2m
- Draft: 1.4m (shallow fin keel)
- Displacement: 4309 kg
- Ballast: 1905 kg

Engine

- Make/Model: Nanni 3.21 (2019)
- Power: 21hp diesel
- Engine Hours: ~280
- Gearbox: Technodrive TMC 40 (installed Sept 2024)
- Throttle: Ultralfex single lever (May 2025)
- Prop: 2-blade fixed
- Drive Type: Shaft
